We can now offer free wig Cutting and styling, combined with confidential and sensitive advice for clients affected by the stages of hair loss caused by chemotherapy.

# Salon Etiquette

- You should endeavour to arrive for your Guy Fawkes experience at least 5 minutes early... please don't be late as it compromises your service.
- Where needed a free full consultation will be carried out to discuss your service needs and any health conditions which may contra-indicate the service will need to be discussed. This information is strictly confidential.
- For all new clients a skin test is required 48 hours prior to colouring services. Allergies may develop over time so our regular clients are required to update a skin test once a year.
- Some treatments are not suitable for certain medical conditions or during pregnancy – please raise any concerns when booking.
- We kindly ask that you call us at least 24 hours in advance if you need to cancel your appointment. Last minute cancellations and late arrivals can cause inconvenience and delays to other clients.
